Selectmen's Meeting

APRIL 15, 1986 - by VIRGINIA ARRAL
RECOMMENDED NEW TITLE - SUPERVISOR OF WATERFRONT ACTIVITIES

In a joint meeting last Tuesday the Selectmen and Recreation Commission agreed to recommend at the annual town meeting on May 5th an amendment to the Personnel By-Law to revise the Beach Director's position to that of Supervisor of Waterfront Activities. It was emphasized that this does not make a new job - it just retitled the job.

The supervisor will be placed under the Recreation Commission's jurisdiction and not under the Selectmen's as was the beach director's job.

The previous salary of $7.10 per hour former beach director Al Boucher was receiving will be proposed to read $6.10 to $7.10 per hour for 40 hours, with a five percent across-the-board increase this year. The Recreation Commission will advertise, interview and recommend applicants for that of supervisor of waterfront activities, lifeguard/instructor/lifeguard and matron. Due to time constraints, the beach program will remain the same and will open for nine weeks beginning June 30 and ending September 1. Swimming instruction will be five weeks; beach hours will be 9:30 a.m. to 5:30 p.m. with supervision.

The position of Beach Director will be a full-time summer position and duties will include supervising the beach and the staff on a daily basis, keep appropriate swimming records, evaluate the staff and recommend dismissal or reappointment to the Director of Recreation Barry Haskell.

Director Haskell will assume the following responsibilities formerly performed by the beach director: advertise, interview and recommend staff appointments, supervise the beach staff, generate a budget, serve as liaison between the swimming instructors and the American Red Cross, supervise off-season maintenance and coordinate beach activities with other recreation programs.

On a similar matter, Selectmen appointed the following persons to the Recreation Commission for 1986: Jeffrey E. Riley, Francis D. O'Neill, Marilyn Lee, Rick DeTucci, and Robert Adams. Donald Doyon and Daune Smith were appointed for a one-year, non-renewable term.

In other business, Selectmen:

MET WITH Building Inspector David Crook and Mr. and Mrs. Herbert Conley to discuss what was termed a misunderstanding in just what the Conleys needed to have done in the reconstruction of a house at 8 Sagamore Road (Antassawamock section), owned by the Conleys of Woburn.

Crook said he had placed a cease and desist order on the property as the Conleys had not taken out the proper permits. "To begin with", said Crook, "the Conleys should have taken out a demolition permit. The greater portion of the house was torn down and is now being reconstructed. If the house is in a flood plain zone (which it is) and there is more than 50 percent reconstruction, you need a permit." Additionally Crook said, "The house is now three-storied." Conley termed it a two-story house, with an attic built on the same foundation perimeter.

Conley said that he had applied for a permit to build a new kitchen, raise the

Crook also remarked that the Conleys had been abusive in their conversations with him, even though he spent afterhours time with them. Mr. and Mrs. Conley were both visibly upset because, they said, each time they came to Mattapoisett to check the work progress they heard of a change or additional permits they needed.

Crook pointed out the well is polluted and Conley will have to have the well pumped, cleaned out and then reapply for a clean bill of health for the well. Evelyn Ellis, chairman of the Board of Health, briefly stepped into the meeting and gave her opinion on the Conley problem. She said "we (local Board of Health) can no longer give a permit if the septic system is 100 feet or less from any wells; they must go to the DEQE." The Conleys is 35 feet from the well. She noted three years ago the water tested bad with a high count. Now, Conley will have to get the water tested from a private testing lab.

Selectman James F. Huntoon said the Selectmen hoped things could be worked out amicably. "We have no authority; Crook is the official building inspector and the expert. If things cannot be worked out, the Conleys will have to go to the Zoning Board of Appeals." Mrs. Conley commented, "we are law-abiding and want to do the right thing. It's been a hardship for us to come here every week. We've done everything we're supposed to do." When the Conleys' remarks became unruly, Selectman John DeCosta banged the

gavel and said, "you have to stay within the rules".

In conclusion, the Building Inspector agreed to lift the cease and desist for three weeks while the Conleys have work done on the water system and cover up a hole in the roof to prevent rain damage. Crook stressed the Conleys cannot do any structural work until all the proper permits are approved and the water is proved potable.

RECEIVED A LETTER from Mrs. Jack Sylvia of New Bedford expressing her praise of the Mattapoisett police officers who worked so desperately to revive her late husband, Jack Sylvia. "It has been brought to my attention that the area in which he was found was extremely difficult to approach. The officers waded through knee high swamp, totally disregarding their own safety. The professionalism and dedication of these officers are a credit to your fine town and its people. Again, I would like to express my deepest gratitude to Chief James Moran, Sgt. Edwin Pina, and Officers Paul Silveira, Stan Ennis and Joseph Faulkner. God bless you all."

MET BRIEFLY with Fire Chief Donald Wood who gave a report on the super job the whole fire department did in covering the fire on Upland Way last week under such adverse conditions. on vacation. Wood also said that video tapes were taken at the fire, which were a big help in the paper work.

On another matter, Chief Wood told Selectmen he is doing the best he can with the state forms on underground gasoline tanks. He said there was nothing in the regulations saying he could not delegate the assignment of notificiation to permit holders. (At a previous Selectmen's meeting, Donald Linhares felt the chief should have hand-delivered the state forms himself.) Wood said "there are some towns on Cape Cod that are not doing anything because they cannot understand the state rules of the forms".

RECEIVED WORD from Building Inspector David Crook that David Graham of the state Aviation Registration Board informed him that the ultra-light hang glider being assembled by Donald Garcia of 75 Acushnet Road is classified as a recreation vehicle and no license is required. It is not classified as an airplane, Graham informed Crook. Mr. Graham indicated he will send full details to the Selectmen and information on the proper use of the hang glider to Mr. Garcia.

REAPPOINTED Vincent Worden as the town's representative to the Old Colony Vocational High School's District School Committee. The appointment is made jointly by the Mattapoisett School Committee, town moderator R. William Blasdale and Selectmen. It was noted Worden is currently serving and expressed a desire to continue. Selectman James F. Huntoon said Worden has done a good job and has been very conscientious in attending meetings.

RECEIVED A COPY OF A LETTER sent to the state Department of Public Works by John W. Folino, Jr., president of Cape Building Systems, Inc. at the Industrial Park and a Mattapoisett resident, regarding the hazardous intersection of North Street and Industrial Drive.

Folino said he has driven North Street thousands of times. On several occasions he has noted and almost been involved in a potential accident at this intersection.

This intersection obviously was never intended to handle the volume and type of traffic it now experiences. Tractor trailer trucks coming from Route 195 and making the left turn into the Industrial Park create instant chaos, he wrote. Cars don't fare much better due in part to the high rate of speed as well as lack of a turning lane.

Folino's letter continues: "In 1981 I sent you a brief memo and subsequently met with one of your engineers. At the time this Industrial Park had half as much traffic as now. Five years from now there will be double the current traffic (quadruple the 1981 level). Shouldn't some plan be devised to ease this burden and lessen the likelihood of an accident?"

Selectmen noted this issue was discussed in previous years, at which time solutions were suggested but no action taken. Executive Secretary Carol Adams will check the files on communications and relay this information to Folino. Selectmen will also check with SRPEDD (Southeastern Regional Planning and Economic Development District) to see if they have any recommendations to eliminate the curve.

NOTICES WERE RECEIVED from the State Division of Marine Fisheries concerning the DEQE approval of the proposed relay of contaminated oysters from Eel Pond in the harbor. DEQE has reclassified the following area to Prohibited and closed to the harvest of shellfish for human consumption until subsequent determination by DEQE reveals that the shellfish are safe for human consumption: the waters and flats and all tributaries of an area of Mattapoisett Harbor known as Pine Island Pond, east of a line drawn southeast for a distance of

Letters to the Editor,

TO THE PRESTO PRESS AND ITS READERS

I, Donald Garcia, in rebuttal to Mr. Raymond Ferreira's letter to the Selectmen's meeting on April 8th would like to state that there is no specific General By-Law prohibiting specifically an "ultra-light" from the Town of Mattapoisett.

Furthermore, false accusations were stated by Mr. Ferreira concerning neighbors' positions on this matter.

An ultra-light is a light-weight recreational vehicle. It is so compact that it is transported by any automobile without any special roof racks. The ultra-light, at no time, has completely been assembled on the property at 75 Acushnet Road, even though the Town of Mattapoisett has no objections of fully assembling and dismantling the ultra-light on the property.

Other ultra-light owners were very concerned and upset by the article that was written in the Presto Press and Sentinel.

Ultra-light flying is for fun and recreational purposes, for people with the proper knowledge. I would also like to say that I am one among many flyers of ultra-light, "aerolight" owners in the surrounding areas.

There have been problems with Mr. Ferreira over the past two years, with constant harassment and blatant misuse of the Legal Process to me, Donald Garcia. I feel that I must speak up on my behalf against Mr. Ferreira's constant unfounded accusations.

I, Donald Garcia, would like to say personally, that I, amongst others, were very offended by Mr. Ferreira's accusations.

If anyone would like to contact me concerning this ultra-light or any other matter, please don't hesitate to call 758-4358.

The SuperMortgage™ from Fairhaven Savings!

Yes, you can own your own house before you're old and gray. Yes, you can build equity faster and save thousands of dollars in interest.

It's called SuperMortgage, and here's how it works:

Instead of paying your usual monthly mortgage, you pay **half** your monthly mortgage every two weeks. Believe it or not, this sharply reduces the amount of your interest as well as the life of your mortgage.

To make things even easier, Fairhaven Savings Bank will deduct your SuperMortgage payments right from your NOW Checking Account. We'll even reduce your initial interest rate by ¼%.

To find out more of the advantages of SuperMortgage, drop by any branch of Fairhaven Savings.

LETTER TO THE EDITOR
MATTAPOISETT REZONING

A Planning Board hearing was conducted on April 15th regarding the rezoning of the Molly's Cove area of Mattapoisett Neck from Marine Residence (MR) to Waterfront 30 (W30).

The purpose of this rezoning would be to eliminate marinas as an allowable use of land on Mattapoisett Neck adjacent to Mattapoisett Harbor.

As was to be expected the attendees were primarily from the Shell Beach area of Mattapoisett Neck and favored the rezoning. They expressed no specific objection to marinas only that they did not want them on "their" side of the harbor.

It is a known fact that there are currently hundreds of boats moored on the Ned's Point side of the harbor. In contrast there are 40-50 boats on the Mattapoisett Neck side. As the demand for moorings in the harbor is increasing every year, the passage of this article would only serve to increase the marine and vehicular congestion on the Ned's Point side of Mattapoisett Harbor.

If this attempt to rezone the Molly's Cove area is successful the only remaining area adjacent to Mattapoisett Harbor that would be zoned for marinas and non-profit yacht clubs would be the Eel Pond and Goodspeed Island area.

A non-profit yacht club could conduct similar activities as a marina and possibly more.

If one were to compare the housing density, traffic congestion, and marine activity presently existing on the town side with that on the neck, passage of this article doesn't make much sense and would be a step backward.

It is my opinion that Mattapoisett has boards relevant to zoning that are entirely capable of controlling the growth of this town.

It appeared throughout the hearing that the objective of the proponents to rezone was to usurp the authority of these boards and place the future growth of Mattapoisett in their own hands and consistent with their own personal interests.

The welfare of the town as a whole was certainly not a consideration of this gathering.

It is my hope that the residents of the Ned's Point side of town are present at the town meeting on May 5th to resist this zoning change that will ultimately force more marine and vehicular traffic on them.

School and to remodel and reconstruct the existing school. The vote was 548 against the override and 483 voting in favor.

In the Selectman's race, incumbent David Hughes was returned to office with 624 votes to 421 for his opponent, Russell Armstrong.

In other contested races, incumbent to the Board of Health Kirby Gilmore won re-election with 758 votes to 265 votes for his opponent, Ernest Cote; and Raymond Hartley (appointed Highway Surveyor last year when George Leconte resigned the post) won election to that office with 385 votes. William Small received 282 votes and write-in candidate Joseph Clapp received 335 votes; Walter Pierce with 724 votes and Paul Dion with 545 won re-election as Constables; Glenn Pierce, the third candidate, received 424 votes.

Elected without opposition were: Greenwood Hartley, III, Moderator, 835 votes; George Church, Assessor, 892 votes; Marsha Rehkamp, School Committee, 796 votes; William Watling, Jr., Park Commission, 892 votes; Catherine Roberts, 845 votes, and Joseph McCarthy, 568, Trustees for the Free Public Library (two were to be elected); Patricia Ryan, 838 votes, ORR School Committee; Henry Roberts, 837 votes, Planning Board; and George Church, 909 votes, Cemetery Commission.

Fifty-eight percent of the town's registered voters turned out for the annual town election held last Wednesday.

Long Trip to Tripoli

- EDITORIAL DCJ

The United States suffered 1,078,162 casualties during World War II of which 292,131 were battle deaths. A large percentage of these were from battles over France (in French air space) or in France on that terrain. Thousands of our men still occupy ground space in military cemeteries in France where they were shot down from air or on the battlefield. It makes one wonder how much that extra 1000 miles each way of flight contributed to the loss of our two flyers and their bomber after last week's mission to Libya. Certainly the shorter, direct route, if permitted, would have cut the odds.

President Reagan deserves the utmost credit for the courage and determination to strike the cowardly killers trained by Khadafy's Libya. The President's support appears to stem solely from the American people and one very courageous leader, Margaret Thatcher.

As far as Europe is concerned, we receive nothing. They find it convenient to ignore the petty tyrant and to preserve their air space. Air space is precious. That same air space hosted the contrails of the thousands of U.S. bombers who fought to free Europe. Our planes received greater tolerance then from the captive countries of that continent.

History does repeat itself. It was 155 years ago that a fledgling United States became fed up with paying tribute to the barbary pirates and landed in Tripoli to defeat them and end that tribute for ourself and for all the nations.

Twice, in half of this century, we returned to free the European nations and

Rochester Cup Plate

The new MMR Tri-Town "Dollars for Scholars" cup plate is now available. This plate is the fourth cup plate in a series of six sponsored by MMR. The 1986 plate commemorates the 300th anniversary of the town of Rochester. The Old Town House, built in 1811, is depicted on the plate. For many years the Old Town House was the seat of government for Rochester. All plates are firsts and have been pressed by Pairpoint Glass.

Cup plates are available at The Sitting Duck (Marion), Seaport Pharmacy (Mattapoisett), and Country Charm (Rochester). On April 26th the plate will be sold at the cup plate sale being held in Plymouth at the Governor Carver Motor Inn. Plates will also be available at the week-long anniversary celebration to be held in Rochester in June. Cost of cup plates is $8.

All proceeds benefit the MMR Tri-Town "Dollars for Scholars" Scholarship Program. Since 1983 MMR has awarded over $47,000 to graduating seniors, re-entry students, and continuing education students.

Sippican Chamber Orchestra

The Sippican Chamber Orchestra will perform its final concert of this season on Sunday afternoon, May 4th, at 3 p.m. at St. Gabriel's Church. Ms. Ann Danis will be conducting.

Joanne Mouradjian, a lyric soprano, will be the featured soloist. Ms. Mouradjian has performed as recitalist and oratorio soloist with numerous ensembles in the New England area including the Rhode Island College Chorus, Providence Singers and the New Bedford Choral Society, chiefly in works of Handel and Mozart.

In 1985 she was presented by the Armenian Prelacy at Carnegie Hall. She received her masters in vocal performance from Boston University and was elected into Pi Kappa Lambda, the National Music Honor Society.

Ms. Mouradjian, also a teacher of voice, has taught at Rhode Island College, Southeastern Massachusetts University, as well as in her private studio.

Admission to the concert is $4.00; seniors, $3.00; children accompanied by an adult are admitted free.

A reception follows the concert.

Rummage Sales

A Rummage Sale will be held at the Marion United Methodist Church Friday, April 25th, from 10 a.m. to 3 p.m.; and Saturday, April 26th, from 9 a.m. to 12 noon.

RUMMAGE SALE

The annual Rummage Sale of St. Gabriel's Episcopal Church in Marion will be held on Friday, May 2nd, from noon to 4:00 p.m., and Saturday, May 3rd, from 10:00 a.m. to noon, in the Parish Hall at 124 South Street.

Do you know that salt marshes:
1) Are a major fish, shellfish and bird habitat?
2) Are a filter preventing pollutants from running off into the ocean?
3) Prevent erosion of our waterfront areas?
4) Are a major source of energy and fertilizer (peat)?
5) Are threatened by rapid coastal development in Mattapoisett and surrounding towns.

Mattapoisett's salt marshes are a vital natural resource which is often taken for granted. The marshes form a unique boundary between the salt water, shore environment and the drier, fresh water areas just inland. The plant and animal life in salt marshes has adapted to a very delicate balance between these two environments, a balance which can be destroyed quickly by uncontrolled development. These wetlands are thus prime candidates for careful monitoring and protection.

The Lloyd Center for Environmental Studies in South Dartmouth has just completed a comprehensive study of Mattapoisett's shoreline, focusing on our many acres of salt marshes. Dr. Alan Hankin, Director of the

Mrs. Fiske reflects on her bird studies in far-flung locales, on life and aging, and an older woman's avid pursuit of an amateur naturalist's career in a warm, witty, engaging presentation.

Mrs. Fiske's interest in ornithology has taken her from Peru to Canada. The Museum is over the Elizabeth Taber Library on Spring Street. There is handicapped access and no charge for admission.

State Parent Advisory Council and was elected to serve as a member of their executive board. She is also a member of the Support Parent Involvement Now (SPIN) organization. She was recently chosen by the State Department of Education to be part of the group assigned to evaluate the findings and recommendations of the Parent Involvement Task Force. Mrs. Toomey was selected to be a presenter at the 1985 National Coalition of the Title I/Chapter 1 Parents Training Conference held in Houston, Texas. Both of her sessions were filled to capacity, strong evidence of the high interest generated by parent awareness topics. Many men and women today are forced to expend so much effort coping with the daily stress of living that there is little strength or enthusiasm left over for parenting. By assuming that children are "only kids" and endlessly flexible parents expect them to adapt easily to changing needs, schedules and life-styles. Mrs. Toomey's presentation will identify the most likely periods of childhood stress and assist parents to define supportive methods of helping their children cope.

MATTAPOISETT HOUSING AUTHORITY AWARDED $49,969

Senator William Q. MacLean, Jr. (D-Fairhaven) is pleased to announce that the Mattapoisett Housing Authority has been awarded $49,969 from the Executive Office of Communities and Development (EOCD).

"The funds will be used for the modernization and maintenance of existing housing units", says Senator MacLean.

He added, "In 1985 the biggest housing bill ($344 million) was passed by the Legislature which in itself demonstrates the need for adequate and new housing in the Commonwealth. Housing as an issue is of top priority."

Senator MacLean said, "I am grateful to EOCD for choosing the Mattapoisett Housing Authority as one of the recipients of this new available funding. The modernization projects, soon to commence, will bring the

Spring into Jazz Series

FEATURES THE MIKE METHENY QUARTET

The Fairhaven Savings Bank has been sponsoring a special "Spring into Jazz" concert series at the Rotch-Jones-Duff House & Garden Museum. The last concert of the series will feature The Mike Metheny Quartet on Friday evening, April 25th, at 8:00 p.m. in the Museum, 396 County Street, New Bedford. The public is invited and there is no admission charge. Doors open at 7:30 p.m. and there is limited seating.

Mike Metheny studied classical trumpet with Keith House and John Alexander, and graduated from the University of Missouri. From 1971 to 1974, Mike was a member of the U.S. Army Field Band (concert band) in Washington, D.C.

In 1974 Mike joined the staff at Northeast Missouri State University where he acted as assistant director of the band and jazz programs, while completing his Master's degree at the same university. In 1976 Mike moved to Boston to join the staff at the Berklee College of Music, where he remained until 1983. Since 1976, Mike has appeared in numerous club and concert settings in the New England area, usually as the leader of his

own quartet. He has also performed with Rufus Reid, Mark Stern, Mike Gibbs, and Pat Metheny (Mike's brother).

In 1982 Mike released his first album, "Blue Jay Sessions", an album given four stars by Fred Bouchard in Downbeat magazine, as well as four stars by Leonard Feather in the Los Angeles Times. A second album will be released this spring. It features brother Pat on guitar, Rufus Reid on bass, and Dick Odgren on piano.

The Rotch-Jones-Duff House & Garden Museum is a private non-profit organization and the Fairhaven Savings Bank program sponsorship reflects the Bank's commitment to public participation in the "living" Museum located at 396 County Street. There is no admission charge to hear the Mike Metheny Quartet on April 25th at 396 County Street in New Bedford. Call the Museum for further information, 997-1401.

gan competing eleven years ago. I honestly didn't think we'd do this well in such a strong field of schools. We were also short a senior and that's who usually scores the points. Junior Becky Crook and freshman Vicki Hiller did a great job for us today, and in fact all season. They were All-Stars in our league this year and demonstrated that again today."

By finishing third in the state, the team from ORR has been invited by the Raytheon Company to attend Massachusetts Mathematics Day on Wednesday, April 30th, at the Sheraton Rolling Green Inn in Andover, MA. where an awards luncheon will be held in their honor. Students of the top three teams, their parents and advisor have been invited to participate.

The team for ORR will now be gearing up for the New England Mathematics Meet to be held at Canton High School on Friday, May 9th. This will be the fifth consecutive year that ORR has qualified to compete.

Math All Stars

STUDENTS SELECTED TO SMC MATH LEAGUE

The following students were selected to the SMC Mathematics League All-Star Team for the 1987-1988 season: Brian Reid (Old Rochester), Milton Tinkoff (Dartmouth), Sachi Shimomura (Falmouth), Cheryl Silva (Dighton Rehoboth), Robert Buters (Bishop Feehan), Erik Morris (Old Rochester), Heather Douglas (Dartmouth), Becky Crook (Old Rochester), Michael Schader (Nauset), Leon Hsu (Dartmouth) and Vicki Hiller (Old Rochester).

The top ten scorers and ties are selected from the 200 (+) students in the twenty school league. Four seniors, four juniors and two underclassmen are selected each year. Brian Reid, a senior from ORR, was the top scorer in the league this season with a score of 70 out of a possible 72 points.

20 YEARS EXPERIENCE

What you and she have in common.

The Statue of Liberty's monumental form is taken from the likeness of the human body in posture and in bearing. Both are beautiful; both are subject to structural problems.

The lady of liberty has gone through her period of pain and is now being brought back to health with structural renovation. To support the effort, cooperating doctors of chiropractic throughout the U.S. are contributing funds through the American Chiropractic Association.

Just as the Statue of Liberty fell into disrepair, so health can deteriorate if you do not follow a preventive maintenance program.

Please, for the sake of your health, stop in our clinic for periodic examinations.

"This was the best finish we've ever had," according to Mr. Cameron, eighth grade Algebra I teacher. "We've been competing in this league for the past four years and have done well in comparison to schools in our local area, but never this well. The students actually look forward to the contests and are always anxious to receive the solutions and results. I'm very proud of them and hope to see many of them on the high school math team next fall."

Woman's Club Scholarships

High school senior women who are interested in the scholarships that will be awarded by the Mattapoisett Woman's Club can obtain the information through their guidance offices. Applicants must be residents of Mattapoisett or a daughter of a member of the Mattapoisett Woman's Club. All applications and other requested information are due on or before May 1, 1986. Nursing Mothers' Council

UPCOMING NURSING MOTHERS' PARENTS' FORUM

Parents face many important health issues in the first year of their child's life. Two major areas of concern are colic and vaccinations.

Dr. Joseph Costa will address these topics at the Nursing Mothers' Council's upcoming Parents' Forum April 30th at 7:30 p.m. at St. Gabriel's Church, Marion.

Dr. Costa is a family practitioner in Mattapoisett. He will discuss how to detect if a child has colic and offer methods of managing it. He will also explore the vaccination controversy, focusing on the new H.I.B. vaccination - better known as the "menengitis vaccination". A question and answer period about these topics and others of concern to parents will follow.

Nursing Mothers' Council is a group of women specially trained in the field of breastfeeding and counseling. They are available 24 hours a day for support for the nursing mother. In addition to tele-

Peases Point Boat Ramp

FEDERAL PERMIT SOUGHT FOR MATTAPOISETT WORK

Peases Point Improvement Association is seeking permission from the U.S. Army Corps of Engineers to construct a boat ramp and walkway in Buzzards Bay at Mattapoisett. The 12 x 50-foot concrete boat ramp and 5 x 30-foot concrete pile and timber walkway would provide a private boat launching facility and access to an existing stone crib pier.

The application for the federal permit was filed with the Engineers in compliance with Section 10 of the Rivers and Harbors Act of 1899 which provides for federal regulation of any work in, under or over navigable waters of the United States and Section 404 of the Clean Water Act which regulates the discharge of dredged or fill material in United States waters, including wetlands.

"SEASCAPE" OPENS AT GATEWAY IN MAY

Edward Albee's Pulitzer Prize winner, "SEASCAPE", which starred Deborah Kerr and Barry Nelson on Broadway, opens in mid-May at the Gateway Playhouse, behind the Town Hall, Wareham. New York actress Ann Kenny is topcast opposite J. T. Turner who recently starred in Avon's The King and I. Film actor David (Streets of Fire) Cardoza is featured along with Anna Andrade in her major acting debut. This somewhat Spielbergian science fiction play was said to be "exquisitely written" by Brendan Gill in The New Yorker magazine. For those looking for a curious theatrical escape put SEASCAPE on your list of current plays. For advanced sale and reservations phone 295-6768.

Coming to Zeiterion:

FAMOUS PEOPLE PLAYERS - PUPPETEERS

Thirteen invisible puppeteers create the colorful theatrical antics of THE FAMOUS PEOPLE PLAYERS. Clad entirely in black, from hoods to gloves, these puppeteers manipulate life-size dolls and props covered with fluorescent paint. Under the ultraviolet illumination of black light, the puppets spring to life on stage, while the puppeteers remain unseen.

The Famous People Players, a Canadian black light theatre group based in Toronto, bring their unique and captivating theatrical form to the Zeiterion Theatre in New Bedford on Saturday, April 26th, for two performances. The last event in this season's Merrill Lynch International Series, performances are at 2:00 p.m. and 8:00 p.m. with tickets priced from $8.00 to $12.00. Senior Citizens and students receive a $2.00 per ticket discount.

Lynn Dupuy, C.M., Famous People Players has been internationally acclaimed for its contribution to theatre arts and the entertainment industry. Their show is designed to appeal to both young and old.

Most noteworthy about the Company is its dedication to the integration of the developmentally handicapped, of whom ten of the thirteen performers are. The original goal of the Company, which still forms its underlying philosophy, was to develop the capabilities of handicapped citizens and to prove that they could lead satisfying, productive lives given the right challenge and opportunity.

Famous People Players' original repertoire consisted of life-size celebrity puppets, with the central puppet being Liberace.

The dream of the Company was that one day the real Liberace would see them and take a personal interest in their work. In 1975 the dream came true when Liberace saw them perform and then headlined them for three return engagements at the Las Vegas Hilton.

Those in attendance will be enthralled with the life-size puppet versions of Barbara Streisand, Elvis Presley, Tony Orlando, Cyndi Lauper, Frank Sinatra, Kenny Rogers, Michael Jackson, Liberace and Liza Minelli. In addition, the Company will perform a full-length fantasy story of "The Sorcer's Apprentice", a piece based on the sequence from the Disney Classic, "Fantasia".

Famous People Players has been the topic of several television documentaries and specials, including a CBS two-hour movie-of-the-week, entitled "Special People", based on the founding years of the Company, starring many of the Company's own performers as themselves.

FAMILY HEALTH DAY

Family Health Day at the Children's Museum in Dartmouth is this Sunday, April 27th, from 1 to 5. Sponsored by the Bristol South Medical Auxiliary, this will be an afternoon of demonstrations, films, lectures and hands-on activities -- a fun afternoon jam-packed with important information.

Buckle Bear will be at the Museum all afternoon to demonstrate automobile safety and distribute stickers and coloring books. Children can make a Buckle Bear Puppet and watch an animated children's film designed to make wearing seat belts and using car seats fun for kids.

A Shadow Puppet Show, "It's a Junk Food Jungle Out There", will be performed throughout the afternoon. Displays on nutrition for children and nutrition during pregnancy will be available. A visit to the "Good Health Clinic" will allow children to examine themselves and their stuffed

St. Patrick's Jubilee

St. Patrick's and St. Anthony's Churches of Wareham will hold Jubilee events in May as follows:

April 28 - May 2 - Week of Renewal. Rev. Robert Kaszynski, pastor of St. Stanislaus Parish, Fall River, will conduct a week of renewal in preparation for the Jubilee Celebration. Theme of the retreat is "Journey of Faith". All are welcome; mornings at 10 a.m. and evenings at 7 p.m.

Saturday, May 10th - The climax of the Jubilee Celebration will be a Mass of Thanksgiving at 4:00 p.m. with Bishop Daniel A. Cronin as principal celebrant joined by many priests of the Diocese of Fall River who served at St. Patrick's and St. Anthony's Churches over the years. The music for this Mass will be provided by the Jubilee Choir of St. Joseph's Church, New Bedford, with a brass ensemble.

Saturday, May 10th, following the Mass, a Jubilee banquet will be served at the Massachusetts Maritime Academy at 7:00 p.m. Music for dining and dancing will be provided by well-known "Jack D'John Trio". Tickets at $15.00 each may be obtained by calling 295-1662.

CLEANING A MICROWAVE OVEN

People often think a microwave oven does not require special cleaning because foods do not burn on the interior surfaces. But if the oven is not cleaned regularly, an unpleasant odor can develop that is caused by food particles becoming spoiled and rancid. In addition, food residue can accumulate around the frame or on the door and interfere with the seal.

Avoid these problems by wiping the oven

after every use with a sponge dipped in a liquid dishwashing detergent/warm water solution. Wipe with a clean sponge to rinse. Soften cooked-on soil by boiling a cup of water in a 2-cup measure or bowl in the oven for about 3 to 4 minues. The steam will help make the food soils easier to remove with a sudsy sponge. Remove unpleasant odors by placing a solution of ½ cup lemon juice and 1 cup water in a large measuring cup in the oven to boil for 2 to 3 minutes. Remove stains on the oven's ceramic floor with a paste of baking soda and water or a special ceramic cleaner.

Lynn, a senior at Old Rochester Regional High School, is among 131 applicants accepted via early notification who rank in the top fifth of their senior class and have made significant contributions to the high school community. Lynn has been active in drama, chorus and softball.

"This class represents the largest group of very well-prepared high school seniors that UMF has ever accepted through Early Notification. The size and strength of the class reflects a significant growth in interest in our programs in education, liberal arts and sciences, and human services," says UMF Director of Admissions J. tation environments including hospitals, schools, probation and special education. They will be qualified to work with the blind, mentally retarded, aged, culturally disadvantaged, physically handicapped and emotionally disturbed. Rehabilitation majors at Springfield College may select a course of study in five areas of specialization: Rehabilitation Counseling, Community Special Education, Medical or Therapeutic Rehabilitation, Management and Supervision, General Services and Specialty Areas.

Founded in 1885, Springfield College is a private co-educational school that emphasizes educating students for what it characterizes as the "human helping professions", such as physical therapy, counseling, sports medicine as well as management of social welfare agencies like the YMCA and the United Way. The 2,200 student institution has educational exchange agreements with countries that range from China and Hong Kong to Venezuela and the Netherlands.

These RSVP Volunteers, more than 630 in number, have donated more than 90,000 public service hours in Plymouth County during the past year alone. They are active, vital citizens with a zest for life....and hearts of gold.

As a part of the baby-boom generation (the generation, as the media widely publicizes, that is on the brink of turning 40), I have had to re-assess my 'position' in society. What have I been through? Where am I now? What lies ahead? As my generation has hustled through some of the most triumphant, and turbulent, times in history, we're now beginning to falter at that 'brink' with the realization that 'we are' going to be the largest group of Senior Citizens EVER!

With more and more budgetary restrictions looming in the future, our County, and the Nation, will become increasingly more dependent on volunteer services.

My association with the Mayflower Retired Senior Volunteer Program has given me a greater appreciation of the supportive contributions RSVP Volunteers have made within our communities. Without any fanfare, they have touched the lives of numerous Plymouth County residents through volunteer activities in our libraries, museums, schools, hospitals, nursing homes, and more. There are over 80 RSVP Stations in our County.

The week of April 20-27 has been designated as National Volunteer Week, and the Mayflower Retired Senior Volunteer Program is well-deserving of public recognition.

These Senior Volunteers not only perform a variety of services for Plymouth County residents, they set an example, as well. Baby-Boomers, there is life after retirement...and RSVP Volunteers have set the example for us to follow.

Holy Hour

The Adorers of the Blessed Sacrament will sponsor a monthly Holy Hour on Tuesday, April 29th, from 7 to 8 p.m. The hour will be held at the Sacred Hearts Church, 382 Main Street, Fairhaven. The priest celebrating this month's Holy Hour will be Rev. Alphonsus McHugh ss.cc., pastor of the church. The hour will consist of Exposition of the Blessed Sacrament, prayers, homily, scripture readings and will conclude with Benediction. Refreshments will follow in the church hall and the public is invited.

Special Olympics

Over 250 Special Athletes from 17 area schools, and as many volunteers, will participate in the 1986 Bristol County Special Olympics Sunday, April 27th, at Southeastern Massachusetts University.

Opening ceremonies will begin at 10 a.m. at the track adjacent to the Francis Tripp Athletic Center. Visiting dignitaries will include Massachusetts State Representatives Joseph B. McIntyre and Roger L. Tougas, and New Bedford Mayor John K. Bullard. SMU President John R. Brazil will officially open the games.

Special athletes, ranging in ages from 8 to 65, will each compete in up to two of the twenty events being offered in competition and developmental sports.

Entertainment will include music by the

ST. JUDE'S NOVENA

May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us. St. Jude, help of the hopeless, pray for us.

Say this prayer 9 times a day. By the 8th day your prayer will be answered. Say it for 9 days. It has never been known to fail. Publication must be promised. Thank you St. Jude.

another, and habitat demands.

Mammals are secretive and are thus unobserved by most people. We will, however, see their tracks and scats and will be able to follow their movements and observe past activities.

The walk will take place rain or shine. It is usually very windy at Barney's Joy, so please dress accordingly. Enrollment is limited, so please call the Lloyd Center at 990-0505 for registration and for information on the meeting place.

WOODCOCK WALK THIS SATURDAY

In the spring months, the courtship behavior of the male Woodcock is an incredible show. In elaborate flight display he circles high in the evening sky giving a constant twittering call, then plummets to the earth in a series of zigzags, wings whistling. A great deal of stealth is required to get close enough to see the woodcock's performance without disturbing him. If you have never seen this exciting spring event, plan to join us for the Lloyd Center's Woodcock Walk on Saturday, April 26th, at 7:00 p.m. There is no fee for this excursion; however, due to group size limitation, pre-registration is required. To register for this walk and for information on the meeting place, please call 990-0505.

Upcoming weekly walks will include Mammals of the Barrier Beach Complex on Sunday, April 27th, an Earlybird Bird Walk on
